SIR

I have the honour to state that under Rule VI(1)(d) of the Public Conveyance Act as sanctioned in Government Order No L 4223-5/M 57-40-47 dated 27-11-1940 the minimum height and age of the ponies to be used for drawing vehicles is fixed at 10½ hands and 3 years This has been found to be very unsatisfactory in practice Further in the adjacent Municipality of the C & M Station the minimum height of the ponies is fixed at 11 hands As this has been found to be desirable a proposal was placed before the Municipal Council amending the existing bye-laws in this respect and the same was approved by the Municipal Council at their meeting held on 7-12-1946 The proposed amendment was given wide publicity through the local papers inviting objections, if any to the said amendment No objection was received within the statutory period of one month and when the subject was again placed before the Municipal Council on 15-3-1947 they have resolved that further action may be taken in this behalf

? In these circumstances I request that sanction of Government may kindly be obtained to the Council resolution approving the proposed amendment, copies of which are herein enclosed for favour of reference
